A Message From the Steering Committee

Those of you who've been involved in SACWN for awhile may recall that in July 1990 we changed our dues structure to accommodate our growing and diverse membership needs. Two special new categories were introduced.

One is for limited income/ students, seniors, and disabled lesbians living on a limited income for whom entertainment is a rare part of their budget. So as to make sure that those of us on such limited incomes can join and attend as often as possible, we have a special, reduced "Limited Income" rate.

Currently, about 14% of our members request and enjoy this special status as part of SACWN.

The other special new category is that of "Sustaining Subscriber." This category is for those who feel they can afford a little bit more and want to help supplement others on limited income. We recently realized we've publicized this special group very little, yet nearly 4% of us have joined in this category. When you renew next time, consider this if you can . . . a kind of financial networking.

As we go to press, things are humming for the October 26 Harvest Moon Celebration Dance, the November 23rd Lucy Blue Tremblay Pre-Concert Reception, and the January 11, 1992 return of lesbian love therapist Jo Ann Loulan. Mark your calendars; see you at the dance!
